HIGHLIGHTS OF THE DAY

Despite the emotion caused by the bombing that took place in the Turkish capital yesterday, the two Turkish teams kept their cool and made it ! The girls won 25 to 24 against Brazil and the boys 23 to 22 against Denmark ! Each match began with a moment of silence as a tribute to the victims. We wish them the best of luck for the rest of the championship.

YOUNG ORGANISERS

INTERVIEW OF TWO YOUNG EUROPEAN HB FEDERATION OFFICIALS

Can you introduce yourselves ?

We are Peter Paradina and Ante Mikelic from Croatia. We are 22 and 23 years old and we're respectively doing law and maritime studies.

Why are you young officials ?

We played handball in clubs when we were young but we both got injured and we had to stop playing handball. So, we decided to become referees.

What in particular do you enjoy in your mission ?

We like when the game is over. The players come and

say: "Thank you ! Good game !" And we shake hands. We feel a personal satisfaction at this very moment.

Do you plan to continue to referee matches in the future ?

Our project is to get our young referee badges. We constantly need to upgrade ourselves hopefully to be able to referee international tournaments one day. Dragan Nachevski, who is President of the Referee Commission for the EHF, is here to supervise us.

How do you feel about par-

ticipating in this Handball World Schools Championship ?

It's a fantastic opportunity ! The players come from many countries, they have different cultures. It's great ! And the teams are very good as well !

« Sport is surpassing oneself. Sport is the school of life. »

FEMALE/MALE STEREOTYPES

Apparently boys are stronger than girls...

Girls seem to disagree !

FOCUS ON...

Three words from Belgium's center line player :

« **Difficult but friendly and pleasant !** »

« It's difficult because the other girls are strong and tall »

Fleur PALMERS

FACT OR FICTION ?!

About yesterday's fact or fiction... France's handball boys team won **5** World Championships !

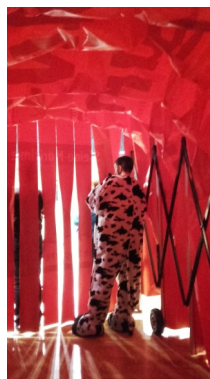

Is Rouen really the city with
« **one hundred bell towers** » ?

You have 24 hours until tomorrow to count them...

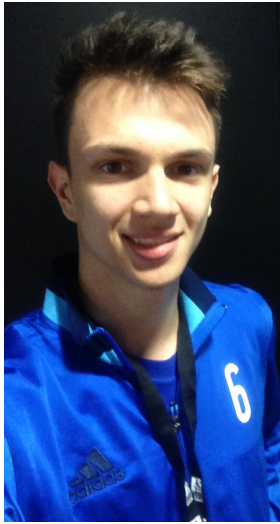

OFF...

But who is hiding in
the cow costume ?

Take a guess !
